

# Synthèse et Recommandations

6<sup>ème</sup> Réunion Annuelle  
du Partenariat de  
Ouagadougou

12-14 décembre 2017

**PLANIFICATION FAMILIALE**

Le Partenariat de Ouagadougou

# Day 1: Progress in the OP Region

- 🌍 **The Partnership is ahead of schedule – 910K additional users in only two years;** Some countries are making faster progress than others
- 🌍 **Country leaders are committed to new approaches and innovation** to accelerate progress towards 2020
- 🌍 **Success depends on equality**—empowering women and involving men in family planning

# Day 2: Maintaining the Momentum

- 🌍 No country can achieve the contraceptive revolution on its own: **We must learn from each other's experiences**
- 🌍 There continues to be need for focus on **demand creation, task sharing implementation, and improved access**
- 🌍 **Our movement is growing** with many champions, including youth

# Day 3: Looking to the Future

- 🌍 **Greater coordination of financing and activities** can unlock the contraceptive revolution
- 🌍 Countries must use **new tools to track commitments and increase accountability**
- 🌍 **Youth must be at the center of policies and programs,** from design to implementation
- 🌍 **Partnership with local leaders** will bring new ideas and acceleration
